

GOLD STREET: DVD Authoring Quote

Please use this form to request a quote and/or ask any questions concerning DVD MPEG 2 encoding & authoring packages. Once you've filled out this form, fax it back to us without a cover sheet. Our fax number is: 818-567-1911. (*hit send when machine comes on*). We will reply to your inquiry within 48 hours.

All MPEG 2 encoding is done on a Mac G4 DP with Apple's DVD Studio Pro MPEG 2 codec and/or Terran's Cleaner – the world's leading professional audio/video encoding software. Audio is encoded to Dolby AC3 in your choice of Stereo, LCR &/or 5.1 Surround. (*You must supply 6 separate audio tracks for true surround sound*).

All estimates are in US dollars and are subject to change without notice.
